POLITICS KILLED THE FAIR.

Motives that Induced Congress to Vote for Chicago.

Boss Platt Denles Responsibility-

with many of those who voted for Chicago Monday, will strenuously oppose the appropriation of any Government

New Yorkers can squeeze out of the turn of affairs is the thought that Chicago has

of affairs is the thought that Chicago has won a white elephant, will of necessity make a failure of the Exhibition as an International affair, and will leave the defeated metropolitans to point their fingers, and say: "We told you so?"

Hoss Platt consented to be interviewed last evening. He said: "I cannot believe that Dr. Depew made any such assertions as were contained in The Evantor World interview. He isn't a fool, and he is a Republican candidate for President and wouldn't be likely to bring such a charge against Chairman Quay, of the National Committee, nor against me. International affair, and will leave the defeated metropolitans to point their fingers, and say: "We told you so?"

Boss Platt consented to be interviewed last evening. He said: "I cannot believe that Dr. Depew made any such assertions as were contained in The Evening of the most of the boat began to sink. Only for the efforts many of them would have leaped overlieve that Dr. Depew made any such assertions as were contained in The Evening of the most of the boat began to sink. Only for the efforts many of them would have leaped overlieve that Dr. Depew made any such as sertions as were contained in The Evening of the said to hittle knot of reporters at the Jersey City depot:

said to little knot of reporters at the sersey City depot:

"So far as the responsibility of the loss of the Fair to New York is concerned, it is simply that Chicago was on the spot for four or five weeks, and three of these sweeks we were but not there, were in this way, and during that time not only lost half our votes, but lost the bockbone of our voters—the enthusiasm. We lost by our internecine strife at Albany one—half our votes.

of our vices—the enthusians. We loss by our internecine strife at Albany one-by the complete of the Paris (which we have been the proposed of the Paris (which we have been the proposed of th

teenth street, between 7 and 8 o'clock last night.

Both women denied the policeman's statement. They were sobbing bitterly and seemed to feel the disgrace of being avaigned in a police court.

Miss Smith said she lived with her mother and four brothers, and she and her friend left her house to take a walk. As they were passing the museum a band began to play and they stopped to listen. A number of ladies and gentlemen were standing also.

The policeman came up and, with an eath, ordered them to move on. They did not go quickly enough to suit him. He arrested them.

them.

Neither showed the slightest sign of dis-ipation and they told their story with a straightforwardness and an earnestness that convinced His Honor that they were telling the truth, and he discharged them.

STABBED IN A SALOON.

Audrew Benson, a Swedish sailor, was held to-day on a charge of stabbing a fellow-Countryman, Andrew Wison.
The two quarrelled in a Cherry street saloen at an early hour this morning and in the moles Benson plunged a sheathknife into Wilson's shoulder. The wound is not

Collision in This Morning's Fog.

nged No Persons Injured.

During the dense fog this morning River between the ferry-boats Montclair. of the Hobokon line, and the Erie, of the Pavonia Ferry Company.

The Montclair, lightly loaded, was going The most engrossing topic of discussion to Hoboken from Earclay street. The m this city is still the unexpected collapse of our World's Fair bubble. The hope was coming to Chambers street. The was coming to Chambers street from York isn't patriotic. They say that her Jersey City, It was about 7.30 o'clock A. patriotism was too slow and conservative M., an hour when traffic to New York from

M., an hour when traffic to New York from
the Jersey shore is at its greatest volume.
The huge boats met in midstream. The
Eric struck the Montelair on the starboard side, smashing her paddle wheel to
sprinters. The guard-rail of the Eric
was torn away, and a frightful scene of
excitement ensued.
There was a mad rush of passengers for
life-preservers. The forward deck of the
Eric was crowded with men and women.
When the accident occurred these people
rushed madly into the cabins, and through
them to the after deck.
Several women and one man fainted,
and to add to the terror the pilots of both
boats kept their whistles blowing. Tugs
and other crafts in the vicinity also blew
their steam whistles, while the fog was
so thick that nothing could be seen for
a yard away. Several women and one man fainted and to add to the terror the pilots of both beats kept their whistles blowing. Tugs and other crafts in the vicinity asso blew their steam whistles, while the fog was so thick that nothing could be seen for a yard away.

Passengers on the Montelair also became panic-stricken, but as there were only a few on board, compared to the crowd on the Erie, they were more easily reassured of safety.

Men and women on the Erie opened the

crowd on the Erie, they were more easily reassured of safety.

Men and women on the Erie opened the windows on both sides of the boat prepared to jump out into the waters if the boat began to sink. Only for the efforts of some of the cooler heads on board many of them would have leaped overboard anyhow, such was their terror.

After several minutes the boats backed away from each other, and the Erie came on to New York and was then laid up for repairs.

SA. M., lifting very slowly and foling off porthward.

Sergt, Dunn, of the Signal Service, says that the last of it will disappear before to-night, and that after it gets away we may look for colder weather. He says it will be twenty degrees colder here to-morrow morning than it was this morning.

Two respectably dressed women, who gave their names as Ida Bmith, of 222 East Twelfth street, and Lillie Thompson, of 224 East Fortieth street, were arraigned before Justice Taintor in Essex Market Court this morning, charged by Policeman James H. Adams, of the Fifth street station, with being intoxicated and creating a disturbance in front of a museum on Fourteenth street, between 7 and 8 o'clock last night.

Both women deuted the policeman's statement. They were sobbing bitterly and seemed to feel the disgrace of being arraigned in a police court.

Taigned in a police court.

Respect for Our Navy. IDUNIAP CABLE NEWS SPECIAL I BERLIN, Fob. 26.—The Kreuz-Zestuno, in an article on the United States, dwells upon the grandeur and power of the new American navy, soon to be created, characterizing it as the second in power in the world. The paper also declares that the new navy will be superior to that of France, but that

with the two allied England's navy could be easily annihilated. It prophesies that when the time comes for action, if it ever does, Congress will eu-thusiastically abandon the Monroe doctrine.

The Broadwoods and the Astors IDUNLAP CABLE NEWS SPECIAL 1 LONDON, Feb. 26. - The Broadwood Sons piano-makers, write to the papers denying the statement that any member of the Astor family was ever a member of their firm. They assert, however, that an uncle of the first John Jacob was at one time employed by them, and that later he kept a flute shop in Cornhill.

Offered for Probate in the Surrogate's Office this Morning.

Over \$100,000,000 Worth of Property to His Son Waldert.

Museum of Art \$50,000, Astor Library \$450,000, St. Luke's Hospital \$100,000.

A document disposing of over \$100,000, 000, and probably \$150,000,000, worth of real and personal estate was offered in the Probate Clerk's office of the Surrogate's Office to-day.

It was the will of John Jacob Astor head of the family of that name and the wealthiest man in America, who died at his Fifth avenue mansion on Washington's Birthday.

About noon Charles F. Southmayd and swore that they were present at came into Probate Clerk Bernard J. drawing and signing of the will. Finney's room in the Surrogate's office and filed the will of John Jacob Astor.

He was accompanied by William Waldorf Astor, who was dressed in deep black, were a silk hat with mourning band, and black kid-gloves.

The will covers two and one half sheets of parchment, two of the sheets being gate. written on both sides. Of the third sheet but one-half of one side is written upon. It took Mr. Southmayd just about onehalf hour to draw up the petition for probate and young Mr. Astor then read and
